Passion, commitment, and diligence;
Creativity and personal growth;
Collaboration and teamwork;
A culture of respect for the individual.*

MESSAGE FROM THE DEAN

Dear Friends,

An overarching goal at PittPharmacy is to make a difference – a difference in the lives of our students, a difference in people's lives through our community engagement, and a difference through pioneering research. At the heart of what we do is excellence, innovation, and leadership.

As you look through the pages of this booklet, you will find ways where your gifts of time, talent, and treasure have given us the opportunity to achieve more than our basic resources would allow. Through your generous support, we will continue to write our story of making a difference.

Thank you.

Sincerely,

Patricia D. Kroboth

Dean

MAKING A DIFFERENCE

Provide students with a personalized education that will efficiently prepare them to innovate, lead, and identify opportunities to improve health

DELIVERING EXCELLENCE IN EDUCATION

1. PittPharmacy students Lindsay Jablonski and Mary Grace Fitzmaurice competed against teams from 134 other schools of pharmacy to take **first place in the Clinical Skills Competition** at the American Society of Health-System Pharmacists (ASHP) Midyear Clinical Meeting. *Pictured, left to right: Lindsay Jablonski '18 and Mary Grace Fitzmaurice '18.*

3. PharmD students Lauren Brock (class of 2020) and Collin Wolf (class of 2019), along with computer science students Chris Corsi and Edwin Mellet, were grand prize winners of the **Randall Family Big Idea Competition** held on Pitt's campus March 2017. *Pictured, left to right: Robert Randall and the MediCase team – Chris Corsi, Edwin Mellet, Lauren Brock, and Collin Wolf – with Pitt Chancellor Patrick Gallagher.*

2. 2017 Graduates of the MSPBA 12 month executive-style, graduate education program where healthcare professionals obtain an in-depth understanding of the business of medicines. *Pictured, left to right: Keith Heim, Joe Thomas, Kimmie Firtz, Casey Inman, Alex Toman, Christopher Palamar.*

MAKING A DIFFERENCE

Advance the frontiers of knowledge in
drug discovery, drug development and
optimal use of medications to enhance
the quality and vitality of life.

PittPharmacy

PIONEERING RESEARCH

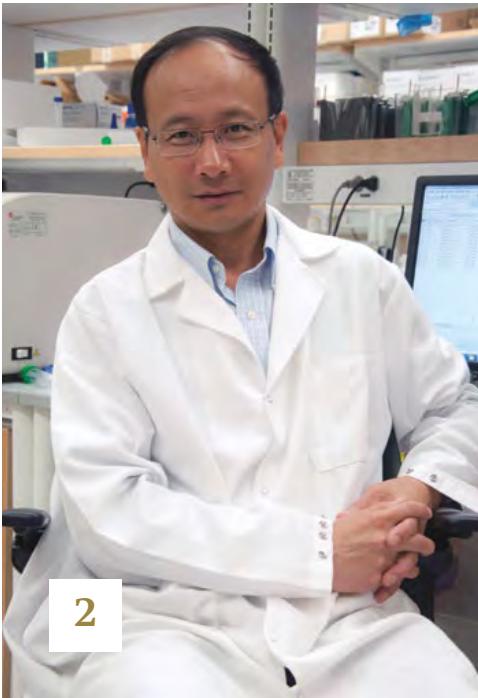

1. Sandra L. Kane-Gill, PharmD, MS, FCCM, FCCP has extensively studied the incidence and causality of adverse drug events (ADEs). Based on this work, she has designed and implemented automated decision support for real-time identification of ADE's that provide the opportunity to intervene before and prevent harm to the patient.

3. Donna Huryn, PhD directs a National Cancer Institute Chemical Biology Consortium Center, one of only 10 centers in the nation. The Center synthesizes new chemicals to support the discovery and development of novel drug therapies for NCI investigators around the world.

5. Da Yang, MD, PhD uses unique computational techniques, genetic data from cancer patients and genetic data from their specific tumors to select the best drug therapy from among 49 FDA-approved anticancer agents. This personalized approach to treatment promises to greatly improve patient outcomes.

2. Song Li, MD, PhD has developed and patented a novel drug delivery system combining three FDA-approved drugs/immunotherapies in nanoparticles targeted specifically to breast cancer cells. The unique formulation times the release of each component, chemotherapy before immunotherapy, to provide maximum efficacy.

4. The annual graduate student retreat offers the opportunity for students to present and discuss their current research. *Pictured: Research Poster Presentation Spring 2017.*

MAKING A DIFFERENCE

Build healthy communities where we live and work, bringing together expertise and perspectives from many disciplines and partners to spark innovation and novel pharmacy solutions to health and health care.

PittPharmacy

BUILDING HEALTHY & ENGAGED COMMUNITIES

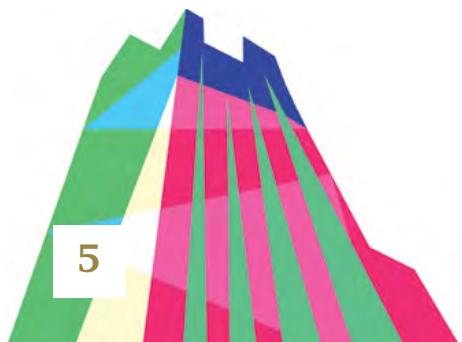

1. The University of Pittsburgh School of Pharmacy has partnered with the Pennsylvania Pharmacists Association in the development of the concept, strategic planning, development, training, and launch of the **Pennsylvania Pharmacist Care Network (PPCN)**. This partnership has positioned PPCN as a leading Network nationwide.

Pictured, left to right: PittPharmacy members of PPCN: Melissa McGivney, Stephanie McGrath, Joni Carroll, Kim Coley, standing Brandon Antinopoulos. Map indicates pharmacy participant locations statewide.

4 & 5. The Pitt Challenge, sponsored by the School of Pharmacy and the Clinical and Translational Science Institute, engaged in critical conversations regarding healthcare and pharmacy with industry giants and leading researchers. Pharmacy students, engineers, and designers helped solve some of the biggest challenges facing the world today. *Pictured, center: PittPharmacy Instructor Ameer Ali – Pitt Challenge 2017.*

2 & 3. PittPharmacy was awarded the Creative Inter-Professional Team Event Focused Award in the Sixth Annual **Script Your Future Medication Adherence Team Challenge**. Students reached 1,150 patients at various community sites and events to raise awareness about the importance of medication adherence. *Pictured (2), left to right: Janay Johnson (National Consumers League), Associate Dean Melissa McGivney, Class of 2019 members Ann McAndrew, Erika LeBakken, Jesse Valentino, and Dean Patricia D. Kroboth. Pictured (3), left to right: Student pharmacist Allen Potter (Class of 2020) and Chih-Ying Liu, a social work student, at Script Your Future site.*

6. PittPharmacy APhA-ASP students sponsored Rock the Block in the Squirrel Hill business district. The health and wellness event educated the community and raised money for the American Diabetes Association. *Pictured: Squirrel Hill Community Rock the Block Event Fall 2016.*

PharmD Class of 2020 are ready to take their first step into the role of student pharmacists at the Dr. Gordon J. Vanscoy White Coat Ceremony.

MAKING A DIFFERENCE

Make diversity and inclusion part of
the context in which we make every
decision to achieve our mission.

PittPharmacy

EMBRACING DIVERSITY & INCLUSION

-
1. PharmD students meet in a new elective where the needs of the LGBTQ community are addressed. These include cultural competency and inclusive language, screening and diagnosis, hormone replacement therapy, psychotherapy, primary and preventative care, and advocacy.

Pictured: Lorin Grieve, instructor of the new PittPharmacy elective.

2. **Pharmacy Innovation Experience Research (PIER)** is a program dedicated to giving high school and undergraduate students across the country and Pitt campus a glimpse into the rapidly evolving field of pharmacy. *Pictured: Assistant Professor Christian Fernandez, Director of PIER program, with visiting PIER participants.*

3. We believe that a special and powerful synergy evolves from a diverse community with an inclusive culture. **Alma Mater singers from Class of 2021** celebrate our past and introduce new paths to the future. *Pictured, left to right: PharmD Class of 2021 Alma Mater Singers: Dafonso Davage, Jr., Anu Patel, Patrick Booth, Winnona Meyer, Jacob Winschel, Valerie Wan, Nhat Dang, Mohamed Kashkoush.*

**THANK YOU TO OUR EXTENDED
SCHOOL OF PHARMACY FAMILY**

OUR ABILITY TO SHAPE OUR FUTURE TOGETHER**

Lifetime Giving

The School of Pharmacy celebrates the generosity of our alumni and friends with this listing of the Lifetime Giving Societies. The names of the societies have special significance to pharmacists. The creation of these societies is our way of acknowledging those whose lifetime gifts to the School of Pharmacy demonstrate a level of passion and commitment worthy of special recognition.

We extend our sincerest thanks to all of our donors for giving to the University of Pittsburgh School of Pharmacy. Your generosity has the power to transform hope into reality. We would like to recognize gifts made to the School of Pharmacy as of April 2018.

Gifts of Time and Skill 2016–2017

We value collaboration and teamwork. Gifts of time and skill enrich the life of the School and the environment in which we teach and learn, discover, and care for patients. Thank you to all who have been generous with your time and skills during this past year.
